Chief of Police

The Dearborn Police Department has implemented a new Neighborhood Community Policing Initiative. This program focuses on reducing crime, reducing fear of crime and Improving the quality of life for all residents & visitors to our city.

The Dearborn Police Department is committed to doing the following to:

- ✓ Assigning a Police Sergeant to monitor & respond to citizen concerns for each Police Patrol Beat.
- ✓ Assigning a dedicated email and cell phone number to each patrol beat to allow residents to directly communicate to the Neighborhood Police Sergeant.
- ✓ The Neighborhood Police Sergeant will analyze events, crime & citizen concerns then apply problem-solving strategies to solve or mitigate the problems/concerns.
- ✓ Form partnerships with stakeholders of each neighborhood to include:
 - ✓ Schools, Neighborhood Associations, Places of worship, Businesses & Senior living locations
- ✓ For immediate & direct access, residents may contact their assigned **Police Patrol Beat Coordinator** via phone call, text or email.
 - ✓ Refer to the map on the opposite side of this page to locate which patrol beat coordinator to contact.
 - ✓ Use the below information to contact the proper **Police Patrol Beat Coordinator**.

The listed contact information are for non-emergency use, with problem relating to ongoing traffic complaints, nuisance violations, pattern crimes and quality of life issues.
